

I listen exclusively to K-LOVE FM 90.5, often heard on FM translators. If K-LOVE was displaced by an LPFM broadcaster, our community would lose its only Contemporary Christian Music station. K-LOVE provides encouraging and uplifting family-friendly music and messages to all segments of the public. Please preserve this valuable service.

I am the mother of four children ages nine - sixteen. It is important to me that they hear the positive messages broadcast by K-LOVE. We travel frequently around the country and are now able to find a local K-LOVE station in many areas. Encouraging and uplifting music and messages are much needed in our country and society. Please do not expand the LPFM service in a way that would allow LPFM stations to take priority over current FM translator services.

Thank you,  
M J Futrell
